FEATURED WINERY

HILLS FINEST

Adelaide Hills, South Australia

THE STORY

Adelaide Hills is a wine growing area in the Mount Lofty Ranges region of South Australia. It is one of the largest wine regions in the state, reaching the Fleurieu Peninsula and McLaren Vale in the south, and the Barossa and Eden Valleys in the north.

Key to the region's grape growing is the altitude of its vineyards, which range from 400 to 650 meters that gives to the region a cool climate.

Sadly, in late 2019 the region suffered heavy losses in the wildfires which raged across Australia. Early estimates suggested over 1,100 hectares of vineyards had been burnt, representing about one third of production. This blow followed two vintages affected by hail damage.

Before this, the region's proximity to Adelaide, and a thriving tourist industry based on its natural beauty have boosted the region's wine industry. It is one of the oldest wine growing areas in Australia, with significant viticulture practiced during the late 19th Century, followed by a revival in the 1970s and 1980s.

The Hills Appeal Red Blend below offered by the glass is a Syrah and Pinot Meunier blend from 21 generous Adelaide Hills producers, all the fruit has been donated and proceeds of the sale of the wines is to aid the Adelaide Hills fire recovery.

CHAMPAGNE

Champagne, France

THE BEAUTIFUL ACCIDENT

History states the discovery of Champagne was indeed a result of a winemaking mistake. While the vigneron from the region were trying to challenge the most prestigious nearby wine producers in Burgundy, France, the cold winters tended to interrupt the fermentation process, leaving undigested sugars and yeasts in wine bottles to form carbon dioxide - then explode.

Many years after this coincidental mistake, we now celebrate the best expression of sparkling wine in the world. Champagne is undoubtedly one of our lists most desirable sections!

WHITE BURGUNDY

Cote de Beaune, Burgundy, France

THE REGION

The Cote de Beaune is the southern district of the Cote d'Or wine region and it is the homeland of some, if not the best, white wines produced in the world. Chardonnay is indeed the queen grape variety, although in smaller quantities, Aligote, an indigenous grape of the area, can be found.

From the top of Chablis to the bottom of Macon, treat yourself with one or more of these delicious drops.

RED BURGUNDY

Cote de Nuits, Burgundy, France

THE REGION

Northern in the Cote d'Or we can find the Cote de Nuits. Even if some white and rose are produced, this is worldwide recognise as the most prestigious wine region for Pinot Noir. Depending on the different classification, wines can be classified from Bourgogne Rouge (more entry level styles) to a Grand Cru status which account for a total of a 1% of the entire region's production.

Many words can be used to describe these extraordinary wines, we simply suggest to indulge and enjoy the experience.

YARRA YERING

Yarra Valley, Victoria

THE STORY

One of Australia's most iconic wine producers, Yarra Yering is from the Yarra Valley in Victoria. Established in 1969 by Dr Bailey Carrodus it was the 1973 vintage that saw production of the first vintage of Dry Red Wine No. 1 and Dry Red Wine No. 2, which quickly gained an international reputation for quality and individuality and paved the way for other Yarra Valley and Australian wineries. The winemaking is now in the hands of Sarah Crowe, one of Australia's most awarded and respected winemakers, with the wines continuing to grow from strength to strength.
