FEATURED WINE REGION

MCLAREN VALE

South Australia

THE STORY

Our latest wines by the glass list is here, and for 2022 we have decided to approach our special wine feature in a different way.

At the Lion, in the past, we have featured some of Australia's most iconic wineries; Shaw and Smith, Yalumba, Henschke, just to name a few.

This year it's all about Place, where the grapes come from. The unique regions, especially in our home state of South Australia, provide grapes and wines with identity and character, gifting us with aromas and flavours we can immediately relate to and connect with.

Our first place is McLaren Vale, traditionally owned by the Kaurna People. It was South Australia's first viticultural region. Just under an hour's drive south, McLaren Vale's beautiful Mediterranean climate provides us with the right conditions for growing grapes like startling pure Grenache, complex Shiraz and crisp, clear Chenin Blanc. Italian grape varieties such as Sangiovese and Fiano are grown and eagerly consumed too.

There are many people and wineries in the Vale that we love and respect. Their craft is world class, and we bring to you our represented wineries wares' with pride:

Coriole, Wirra Wirra, Ministry of Clouds and Yangarra.

The Lion.

CHAMPAGNE

Champagne, France

THE BEAUTIFUL ACCIDENT

History states the discovery of Champagne was indeed a result of a winemaking mistake. While the vigneron from the region were trying to challenge the most prestigious nearby wine producers in Burgundy, France, the cold winters tended to interrupt the fermentation process, leaving undigested sugars and yeasts in wine bottles to form carbon dioxide - then explode.

Many years after this coincidental mistake, we now celebrate the best expression of sparkling wine in the world. Champagne is undoubtedly one of our lists most desirable sections!

WHITE BURGUNDY

Cote de Beaune, Burgundy, France

THE REGION

The Cote de Beaune is the southern district of the Cote d'Or wine region and it is the homeland of some, if not the best, white wines produced in the world. Chardonnay is indeed the queen grape variety, although in smaller quantities, Aligote, an indigenous grape of the area, can be found.

From the top of Chablis to the bottom of Macon, treat yourself with one or more of these delicious drops.

RED BURGUNDY

Cote de Nuits, Burgundy, France

THE REGION

Northern in the Cote d`Or we can find the Cote de Nuits. Even if some white and rose are produced, this is worldwide recognise as the most prestigious wine region for Pinot Noir. Depending on the different classification, wines can be classified from Bourgogne Rouge (more entry level styles) to a Grand Cru status which account for a total of a 1% of the entire region`s production.

Many words can be used to describe these extraordinary wines, we simply suggest to indulge and enjoy the experience.

YARRA YERING

Yarra Valley, Victoria

THE STORY

One of Australia's most iconic wine producers, Yarra Yering is from the Yarra Valley in Victoria. Established in 1969 by Dr Bailey Carrodus it was the 1973 vintage that saw production of the first vintage of Dry Red Wine No. 1 and Dry Red Wine No. 2, which quickly gained an international reputation for quality and individuality and paved the way for other Yarra Valley and Australian wineries. The winemaking is now in the hands of Sarah Crowe, one of Australia's most awarded and respected winemakers, with the wines continuing to grow from strength to strength.
