## HENTLEY FARM

Set among the rolling hills on the banks of Greenock Creek at Seppeltsfield, Hentley Farm is a leading boutique producer of distinctive single estate wines that are reflective of the exceptional site. At Hentley Farm “the emphasis is on quality” from vine to bottle and beyond as we use sustainable best practices to create wines that exceed expectations and desires.

Keith and Alison Hentschke researched for years to find out where the best red grapes were produced in the Barossa Valley in South Australia, asking winemaking and viticulture experts and using an old 1950s soil map of the region sourced from the Department of Agriculture. Eventually, in the 1990s they found Hentley Farm – an old farming property on the banks of Greenock Creek at Seppeltsfield.

We consider ourselves as ‘winegrowers’, with our winemaking accentuating characteristics of the vineyard from vine to bottle, but we also hold close to our hearts the belief that wine is to be enjoyed and therefore have worked hard to create an environment conducive to that goal.

# THE LION WINE ROOM

The Lion Wine Room officially opened on the 1st of December, 2021, after many dreams, ideas, expectations and renovations.

We wanted something new, something seductive, something welcoming that captured your imagination.

Being handed a Wine Bible with hundreds of choices and then finding wine to drink can be a daunting task. Especially when there are pages and pages to navigate.

What if you were able to enter a room where every wine was on show, arranged in to style as well as grape variety, their prices clearly displayed, the condition of each bottle obvious to see?

The room exudes a welcoming warmth, with light colours and natural light.

The Fine Wine Room, a room within the Room, is a temperature controlled tempter, with Rare Burgundies, Top Bordeaux, Seductive Italians and Australia's most treasured icons, including Yarra Yering, one of favourites.

Wines dating back to the 60's and 70's, the most current releases, top producers and secrets just now being discovered. They all populate our Room, waiting for you to choose.

And a feature is, if you want to take something home, we cater for it. You want to drink your wine here, with our chefs' extensive culinary offerings, we will serve your choice at your table.

Our Wine Room is an interactive experience, run by passionate and courteous staff, part take away Fine Wine Room, part wine list.

We love wine. This list you are holding is just a selection of the Wine Room's full offerings.

Our Room is open to you...

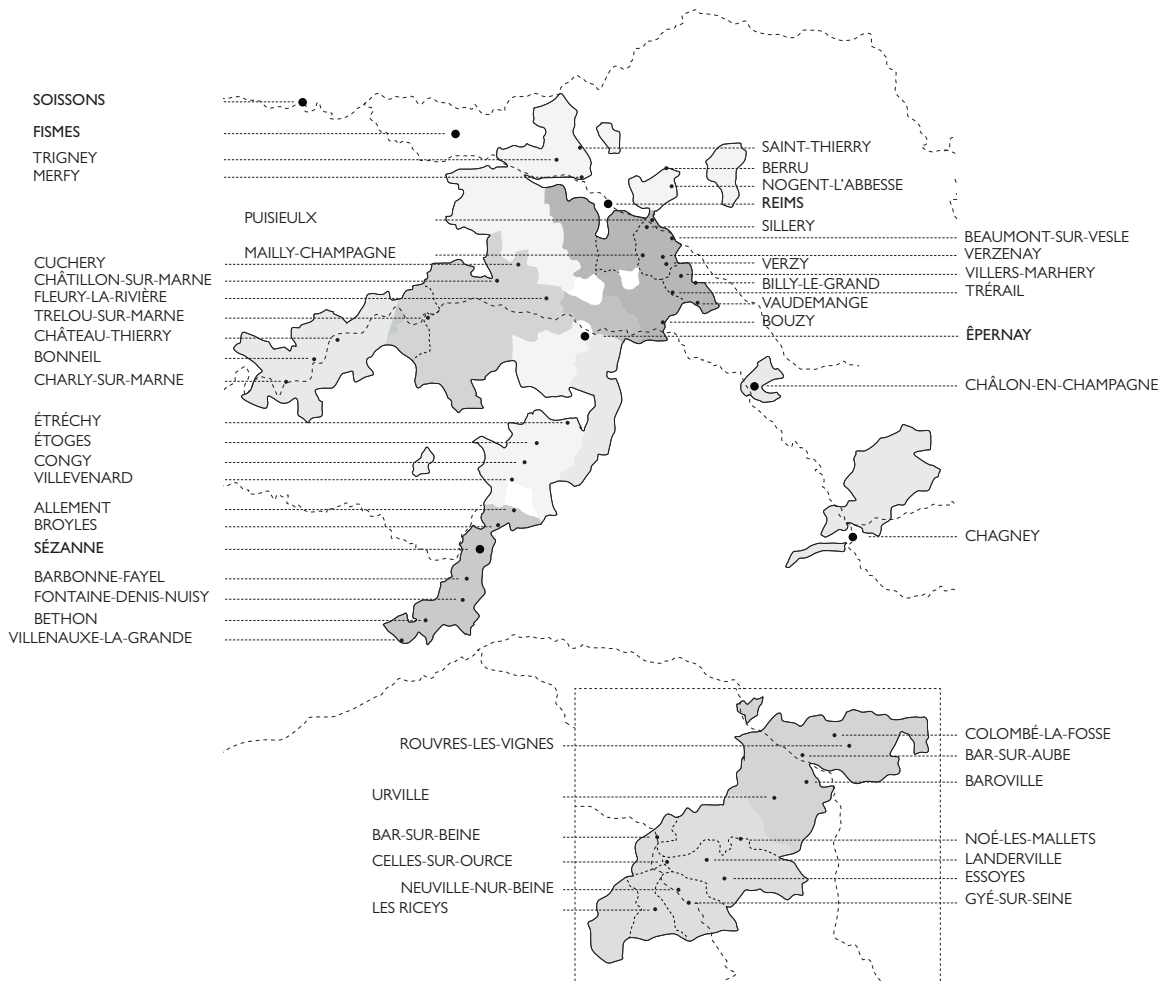

# CHAMPAGNE

*Champagne, France*

## THE BEAUTIFUL ACCIDENT

History states the discovery of Champagne was indeed a result of a winemaking mistake. While the vigneron from the region were trying to challenge the most prestigious nearby wine producers in Burgundy, France, the cold winters tended to interrupt the fermentation process, leaving undigested sugars and yeasts in wine bottles to form carbon dioxide - then explode.

Many years after this coincidental mistake, we now celebrate the best expression of sparkling wine in the world. Champagne is undoubtedly one of our lists most desirable sections!

# WHITE BURGUNDY

*Cote de Beaune, Burgundy, France*

## THE REGION

The Cote de Beaune is the southern district of the Cote d'Or wine region and it is the homeland of some, if not the best, white wines produced in the world. Chardonnay is indeed the queen grape variety, although in smaller quantities, Aligote, an indigenous grape of the area, can be found.

From the top of Chablis to the bottom of Macon, treat yourself with one or more of these delicious drops.

# RED BURGUNDY

*Cote de Nuits, Burgundy, France*

## THE REGION

Northern in the Cote d`Or we can find the Cote de Nuits. Even if some white and rose are produced, this is worldwide recognise as the most prestigious wine region for Pinot Noir. Depending on the different classification, wines can be classified from Bourgogne Rouge (more entry level styles) to a Grand Cru status which account for a total of a 1% of the entire region`s production.

Many words can be used to describe these extraordinary wines, we simply suggest to indulge and enjoy the experience.
