Everything is available to take home or enjoy at the table.

Our Wine Room is interactive, approachable, and run by passionate staff.

CHAMPAGNE

Champagne, France

THE BEAUTIFUL ACCIDENT

History states the discovery of Champagne was indeed a result of a winemaking mistake. While the vigneron from the region were trying to challenge the most prestigious nearby wine producers in Burgundy, France, the cold winters tended to interrupt the fermentation process, leaving undigested sugars and yeasts in wine bottles to form carbon dioxide - then explode.

Many years after this coincidental mistake, we now celebrate the best expression of sparkling wine in the world. Champagne is undoubtedly one of our lists most desirable sections!

WHITE BURGUNDY

Cote de Beaune, Burgundy, France

THE REGION

The Cote de Beaune is the southern district of the Cote d'Or wine region and it is the homeland of some, if not the best, white wines produced in the world. Chardonnay is indeed the queen grape variety, although in smaller quantities, Aligote, an indigenous grape of the area, can be found.

From the top of Chablis to the bottom of Macon, treat yourself with one or more of these delicious drops.

RED BURGUNDY

Cote de Nuits, Burgundy, France

THE REGION

Northern in the Cote d'Or we can find the Cote de Nuits. Even if some white and rose are produced, this is worldwide recognise as the most prestigious wine region for Pinot Noir. Depending on the different classification, wines can be classified from Bourgogne Rouge (more entry level styles) to a Grand Cru status which account for a total of a 1% of the entire region's production.

Many words can be used to describe these extraordinary wines, we simply suggest to indulge and enjoy the experience.
